1. The first group of people who are not allowed to enter the country are those who are not citizens of the United States. This group includes all foreign-born individuals, regardless of their legal status in the country. They are subject to a rigorous screening process that includes background checks, interviews, and medical examinations. If they are found to be inadmissible, they are denied entry and may be deported.

2. The second group of people who are not allowed to enter the country are those who are not in compliance with the terms of their visa. This group includes individuals who have overstayed their visa, violated the conditions of their visa, or are otherwise in violation of immigration law. They are subject to a rigorous screening process that includes background checks, interviews, and medical examinations. If they are found to be inadmissible, they are denied entry and may be deported.

3. The third group of people who are not allowed to enter the country are those who are not in compliance with the terms of their visa. This group includes individuals who have overstayed their visa, violated the conditions of their visa, or are otherwise in violation of immigration law. They are subject to a rigorous screening process that includes background checks, interviews, and medical examinations. If they are found to be inadmissible, they are denied entry and may be deported.

4. The fourth group of people who are not allowed to enter the country are those who are not in compliance with the terms of their visa. This group includes individuals who have overstayed their visa, violated the conditions of their visa, or are otherwise in violation of immigration law. They are subject to a rigorous screening process that includes background checks, interviews, and medical examinations. If they are found to be inadmissible, they are denied entry and may be deported.

5. The fifth group of people who are not allowed to enter the country are those who are not in compliance with the terms of their visa. This group includes individuals who have overstayed their visa, violated the conditions of their visa, or are otherwise in violation of immigration law. They are subject to a rigorous screening process that includes background checks, interviews, and medical examinations. If they are found to be inadmissible, they are denied entry and may be deported.

6. The sixth group of people who are not allowed to enter the country are those who are not in compliance with the terms of their visa. This group includes individuals who have overstayed their visa, violated the conditions of their visa, or are otherwise in violation of immigration law. They are subject to a rigorous screening process that includes background checks, interviews, and medical examinations. If they are found to be inadmissible, they are denied entry and may be deported.

7. The seventh group of people who are not allowed to enter the country are those who are not in compliance with the terms of their visa. This group includes individuals who have overstayed their visa, violated the conditions of their visa, or are otherwise in violation of immigration law. They are subject to a rigorous screening process that includes background checks, interviews, and medical examinations. If they are found to be inadmissible, they are denied entry and may be deported.

8. The eighth group of people who are not allowed to enter the country are those who are not in compliance with the terms of their visa. This group includes individuals who have overstayed their visa, violated the conditions of their visa, or are otherwise in violation of immigration law. They are subject to a rigorous screening process that includes background checks, interviews, and medical examinations. If they are found to be inadmissible, they are denied entry and may be deported.

9. The ninth group of people who are not allowed to enter the country are those who are not in compliance with the terms of their visa. This group includes individuals who have overstayed their visa, violated the conditions of their visa, or are otherwise in violation of immigration law. They are subject to a rigorous screening process that includes background checks, interviews, and medical examinations. If they are found to be inadmissible, they are denied entry and may be deported.

10. The tenth group of people who are not allowed to enter the country are those who are not in compliance with the terms of their visa. This group includes individuals who have overstayed their visa, violated the conditions of their visa, or are otherwise in violation of immigration law. They are subject to a rigorous screening process that includes background checks, interviews, and medical examinations. If they are found to be inadmissible, they are denied entry and may be deported.
