Chalet La T'soum

Chalet La Tsoum is a beautifully luxurious five-bedroom chalet, set in a peaceful and sunny position overlooking the Rhône Valley and surrounding mountains. Located just a few minutes from the center of La Tzoumaz and the gondola, the property offers easy access to the Verbier – 4 Vallées ski domain with over 400 km of pistes.

The chalet combines traditional Alpine character with spacious contemporary living. At its heart is an impressive open-plan living and dining area with an open fireplace and floor-to-ceiling windows showcasing the panoramic views. A fully equipped kitchen adjoins the dining area. Arranged over several levels, the chalet offers five bedrooms sleeping up to ten people, including several ensuite bedrooms. An additional mezzanine lounge provides a comfortable second living area overlooking the main living space.

The chalet offers excellent private wellness facilities, including a sauna and steam room on the lower floor, complemented by an outdoor Jacuzzi — the perfect setting to unwind after a day in the mountains.

Outside, a large sunny terrace offers plenty of space for dining and entertaining while enjoying the surrounding Alpine scenery. The chalet also benefits from ample private parking.

With its generous accommodation, spectacular views, wellness facilities, and proximity to the ski lifts, Chalet La Tsoum is an attractive opportunity as a family mountain residence or Alpine retreat in the heart of the 4 Vallées.

Optional T-Resort Parking & Ski Storage

For an additional fee, you can acquire a private parking space and a 6 m² ski locker at T-Resort, ideally located in the center of La Tzoumaz directly opposite the ski lifts.
