

The image displays two architectural drawings. The top drawing is a detailed floor plan of the first floor (BF=29.8 m²). It features a large open-plan office area on the left, a reception area (REZEPTION) in the center, and a series of smaller rooms and service areas on the right, including a kitchen (KÜCHE), restrooms (TOILETTEN), and a staircase (TREPPENHAUS 1 Z2). The bottom drawing is a simplified floor plan of the same area, highlighting the office space (BÜRO) in yellow and the staircase (TREPPENHAUS 1 Z2) in white. The office area is labeled with a yellow background and the text 'BÜRO BF= 29.8 m²'. The staircase is labeled with a white background and the text 'TREPPENHAUS 1 Z2 BF= 29.8 m²'.

This architectural section drawing illustrates a multi-story building facade. The structure features a flat roof with a series of gabled roof sections above the upper floors. The facade is characterized by large, rectangular windows and glass doors. A yellow highlight is applied to the second floor from the left, indicating a specific area of interest. The drawing includes structural details such as columns and beams, and a dashed line indicates the ground level. The overall style is technical and precise, typical of architectural drawings.
